

Snowball

By Christopher Hollis

He's white and puffy,
And so very fluffy.
He's not at all snappy,
Which makes me so happy.
He loves to go walk,
Without a balk.
He likes to lay around,
Making hardly a sound.
He loves a good bone,
Or an ice cream cone.
He sleeps all day,
And does not disobey.
He's my dog Snowball,
The best dog of all!
